Newsletter

17 March 2023

Happy Mothers Day! I hope you all have a relaxing day on Sunday! The KM Mother's Day supplement featuring lovingly drawn portraits and thoughtful messages from the children in Year R, Year 1 and Year 2 is available to purchase from shops.

Our first Parent Consultation evening is being held in the hall on Wednesday 22nd March, please check your appointment time which you have booked on Parentmail. You may also go into your child's classroom and look at their books. We will display lost property in the atrium, please take a look for any items.

Science Week

This week was British Science week and the children enjoyed a range of different workshops exploring the theme "connections".

William—"I wish it could be science week every week"

Noah—"Science is really important because Science is everywhere"

Ivy—"I really enjoyed my workshop, it was good fun"

Sophia—"Science is all around us"

Class of the Week Year 6

This term we have been learning about identification. We were visited by Sargent Richardson who came in to speak with us about how police solve crime using DNA samples and fingerprints. We took our own fingerprints with ink and analysed them to see the features of our own prints. Written by Liam, Paisley, Jonah and Lacey.

"It was really interesting and we found out lots about how police solve crime." Freya

"It was super cool and I would really love to become a police officer when I am older." Mason

"We learnt all about the riot police, dog handlers, what happens in custody and the mounted police."

Year R Assembly

Year R performed their very first class assembly today! The children shared their learning from the book 'Guess How Much I Love You' and linked it to Mother's Day which is this Sunday. The children worked very hard on their assembly and we are extremely proud.

Class Attendance 2022/23

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
96%	94%	95%	91%	96%	92%	97%

Well done to Year 6 with 97% attendance this week!

Birthdays

Thomas age 10
Brooke age 7
