## Children's Mental Health Week

Next week (6 - 12 February 2023) is Children's Mental Health Week. The week is run by children's mental health charity Place2Be to raise awareness of the importance of children and young people's mental health. This year's theme is **Let's Connect**.

A leaflet has been sent through Parentmail 'Tips for parents and carers' on different ways in which you can **connect** with your children. If you have any worries about your child's mental health or would like further support or strategies on how you can help support your child's mental health further, please do not hesitate to contact us.
