### Sports Day

Well done to all of the children for another fantastic Sports Day! St. David's were the overall winners on the day, with a very close competition from the other house groups. As well as a day packed full of sporting activities, we also had a visit from Danny Crouch — a Team GB Gymnast and two time champion at the Youth Olympics and European Championships runner-up. Danny led the children out in the morning and afternoon to start their events, as well as leading an assembly for the infant children and visiting the Year 3, 4 and 5 classes. A huge thank you to all of the staff, in particular to Miss Richardson who organised our wonderful day!

## Class of the Week — Year 3

This week in Year 3 the children have been researching, planning and drafting their instructional writing which they have thoroughly enjoyed. They have applied a fantastic range of imperative verbs and adverbs to create well informed and user-friendly instructions. Maths has focused on recapping decimal related problems and checking answers using inverse.

The children have also finished some cross-curricular Art and Science work creating labelled flowers made from tissue paper and natural resources. In DT, Year 3 have now started production on their mini greenhouses and have completed the framework which they will add panels to in the following weeks before the final construction.
