Our school value this term is:
Be Brave

We have had a lovely week in school which was concluded wonderfully with our morning celebration assembly. The children in the juniors shared their exciting learning in a range of subjects; demonstrating their enjoyment and motivation for learning – well done!

The weather is very changeable at the moment, please ensure that your child's uniform is labelled as they are regularly removing coats and hoodies during break and lunch times. We have a great deal of lost property which is not named, making it very difficult to return the items to children. The lost property is kept in the school entrance area, please ensure it is left tidy when you have finished looking through it.

Please remember to ensure that your child is wearing a **school PE kit** on their PE days. It has been noticed that a number of non-uniform alternatives (including sports brands) are being worn in place of the **plain navy shorts or jogging bottoms and plain white (or school logo) t-shirt**. We have designated non-uniform days for the children to wear their own clothes. Importantly, earrings should NOT be worn on PE days. Thank you for your co-operation in this matter.

Year 4 Class of the Week

Year 4 have had a very busy and productive week. In Science we have been looking at Animals and their habitats and have been considering how living things are categorised. To help us with our learning we considered the different ways we could categorise humans and played a giant game of Guess Who!

In literacy we have enjoyed analysing the poem 'The Lion' identifying all the different poetic devices. We then used our knowledge and understanding to create a dramatic performance which we showcased in our celebration assembly.

We have been practising very hard for our Multiplication check and have used the iPad's and all different maths resources to help us with our learning.

Finally, we enjoyed the nice weather and played cricket in our PE lesson and we enjoyed sharing our class novel outside in the sunshine.

Pyjamarama Day Friday 17th May

The children are invited to wear pyjamas to school on the 17th May in exchange for a donation to Book Trust. Please ensure that the children wear sensible shoes and no jewellery.

Reception Intake September 2023

If you have a child starting Reception in September please return the acceptance form by Tuesday 14 May 2024.

Reading Vending Machine Awards

This week, our Year 6 Librarian children received a Reading Vending Machine token for their outstanding dedication to our outside library during lunch times. They work enthusiastically to encourage the children to read and enjoy books together by providing carefully selected books to enjoy in our special reading area on the playground.
