Behaviour Policy and Statement of Behaviour Principles

Mission Statement

"I called you by your name, you are mine." Isaiah 43

Our mission at St. Augustine of Canterbury Catholic Primary School is to provide a learning environment in which all children and staff reach their potential in an atmosphere of kindness, empathy, honesty, gratitude, courage and love.

All our work is inspired by the teachings of Christ and His Church. Working in partnership with parents and carers, we aim to enhance and celebrate the moral, physical, social and emotional development of all children entrusted to us.

We are an inclusive community, welcoming and accepting all who enter our school, regardless of ability or background; teaching children to be understanding of the world they are growing up in, together with learning how to live alongside and respect diversity within our society.

Equality Statement

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any child and it helps to promote equality at St Augustine of Canterbury Catholic Primary School.

We have carefully considered and analysed the impact of this policy on equality and the possible implications for children with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

This policy was reviewed September 2024

1. Aims

St Augustine of Canterbury Catholic Primary School has high standards and expectations of good behaviour in all aspects of school life including the culture, ethos, and values of our school. Good behaviour in school is central to a good education. At St. Augustine of Canterbury Catholic Primary School, we manage behaviour well so we can provide a calm, safe and supportive environment which children want to attend and where they can learn and thrive. Being taught how to behave well and appropriately is vital for all children to succeed personally. Our ultimate goal is to develop self-regulation in each child and build self-esteem. The ethos of our school is such that this aim is most likely to be achieved through praise, recognition of worth, encouragement and mutual respect. Our PSHE curriculum and Catholic teachings encourages children to be good citizens and transfer these skills in their values. Everyone should treat one another with dignity, kindness and respect.

This policy purpose is to:

- Create a positive culture that promotes excellent behaviour, ensuring that all children have the opportunity to learn in a calm, safe and supportive environment in which all children can learn and reach their full potential.
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school.
- Provide a consistent approach to behaviour management that is applied equally to all pupils.
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Outline the expectations and consequences of behaviour
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management.
- Encourage independence and self-regulation so that each child learns to accept responsibility for their own behaviour.
- Maintain a consistent approach to behaviour throughout the school, with parental cooperation and involvement by supporting our staff's management of children's behaviour and ensuring that this happens consistently across the school.
- Encourage all children to show respect and courtesy towards staff and towards each other.
- Outline how the Governing Body and Headteacher will deal with allegations against teachers and other school staff quickly, fairly and consistently in a way that protects the child and at the same time supports the person who is the subject of the allegation.
- Support every member of staff to be consistent when managing and improving children's behaviour.
- Outline the support available to improve behaviour through school-based support, behaviour interventions and nurture groups.

Suspension and Permanent Exclusions

For the vast majority of pupils, suspensions and permanent exclusions may not be necessary, as other strategies can manage their behaviour. If these approaches towards behaviour management have been exhausted, then suspensions and permanent exclusions will sometimes be necessary as a last resort. This is to ensure that other pupils and teaching staff can work in safety and are respected.

The decision to suspend or permanently exclude will be made by the headteacher as a sanction when warranted as part of creating a calm, safe and supportive environments where both pupils and staff can work in safety and are respected.

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: <ul style="list-style-type: none"> • Racial • Faith-based • Gendered (sexist) • Homophobic/biphobic • Transphobic • Disability-based 	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Measures to prevent Bullying:

Preventing and raising awareness of bullying is essential to keeping incidents in our school to a minimum. Through assemblies as well as PSHE/RSE lessons, children are given regular opportunities to discuss what bullying is, as well as incidents we would not describe as bullying, such as two friends falling out, or a one-off argument.

Whole school initiatives and proactive teaching strategies will be used throughout the school to develop a positive learning environment with the aim of reducing the opportunities for bullying to occur. These include:

- PSHE and RSE teaching
- Involve children in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Awareness through anti-bullying assemblies throughout the year, children are encouraged to generate ideas and take ownership of anti-bullying activities and events, deliver assemblies and anti-bullying sessions to peers and be actively involved in writing school behaviour and anti-bullying policies.
- Circle time
- Drama/role play activities
- Playground Buddies for new children who are settling into school
- By following of the whole school behaviour policy which includes using praise and rewards to reinforce good behaviour; encouraging the whole school community to model appropriate behaviour towards one another.
- Playground monitors and Leaders in both the Infants and Juniors. The key component is to provide peer-to-peer support for children and a valuable point of liaison between children and staff. Playground friends and leaders are highly visible, wearing different coloured tabards and receive specific training for their role.
- Monitor and review our anti-bullying policy and practice on a regular basis.
- Support staff to promote positive relationships to help prevent bullying.
- Regularly canvas children's views on the extent and nature of bullying.
- Whole School Approach to online safety including cyber bullying.
- Ensure that all children know how to express worries and anxieties about bullying.
- Ensure that all children are aware of the range of sanctions which may be applied against those engaging in bullying.
- Publicise the details of internal support, as well as external helplines and websites.

School Behaviour Curriculum

At St. Augustine of Canterbury Catholic Primary School our approach to creating a culture that promotes excellent behaviour permeates through our Catholic ethos and Mission Statement; 'I have Called you by your name, you are mine'. Isaiah 43

Positive behaviour reflects the values of our school, readiness to learn and respect for others. It is established through creating an environment where good conduct is more likely and poor conduct less likely. This behaviour should be taught to all children, so that they understand what behaviour is expected and encouraged and what is prohibited. This then requires positive reinforcement when expectations are met, while sanctions are required where rules are broken. Positive reinforcement and sanctions are both important and necessary to support the whole-school culture.

Children are expected to:

- Behave in an orderly and self-controlled way; including on the playground, around the school and on external visits.
- Show respect to members of staff, visitors and each other.
- Children will be expected to sit quietly and listen where necessary and to make every effort in completing the work set out for them.
- In class, make it possible for all children to learn by listening and maintaining a respectful noise level consistent for learning.
- Walk quietly around the school
- Line up quietly outside classrooms.
- Children will address adults and each other by name.
- Maintain a comfortable volume within the school hall at lunchtimes to enable a calm and safe environment.
- Children walk to their line quietly at the end of break and lunchtimes and walk into school in an orderly and safe manner.
- Children are encouraged to have opinions and to express them politely. Respect for other's views and opinions are a skill which needs to be learnt early and practised often.
- Children complete any task reasonably assigned to them in connection with their education.
- Treat the school buildings and school property with respect.
- Children will be calm and safe within the cloakrooms.
- Accept sanctions when given.
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online.

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all children can meet behavioural expectations in the curriculum.

Mobile phones

Children are not allowed to have mobile phones with them on-site. The exception to this is in the case of Year 6 children who may be walking to or from school and need their mobile phone to communicate with their parent or carer. Parent/Carer permission is required to walk to and from school. If this is the case the following applies:

- Mobile phone must be switched off and handed to the class teacher upon arrival into school. The teacher will store them together in the school office.
- Children can turn their phones on when they are leaving the school site to walk home.
- Mobile phones are not to be used on the school playground including to take photos or exchange numbers etc.
- Children are not permitted to use them during the school day

See Mobile Phone policy

7. Responding to Behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages children to be engaged.
- Display the positively worded classroom rules which are written with the children.
- Share and display the Behaviour Curriculum
- Develop a positive relationship with children, which may include:
 - Greeting the children as they arrive into school/class in the morning and after lunch.
 - Establishing clear routines.
 - Communicating expectations of behaviour in ways other than verbally.
 - Highlighting and promoting good behaviour.
 - Concluding the day positively and starting the next day afresh.
 - Having a plan for dealing with low-level disruption.
 - Using positive reinforcement.

7.2 Safeguarding

Following any report of child-on-child sexual violence or sexual harassment offline or online, St. Augustine of Canterbury Catholic Primary School will follow the general safeguarding principles set out in Keeping children safe in education (KCSIE) - especially Part 5. The Designated Safeguarding Lead (or Deputies) is the most appropriate person to advise on the school's initial response. Each incident should be considered on a case-by-case basis.

The school recognises that changes in behaviour may be an indicator that a child is in need of help or protection.

We will consider whether a child's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our Child Protection and Safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to Medway Children's Services is appropriate.

Please refer to our child protection and safeguarding policy and Anti-Bullying policy for more information.

7.3 Responding to good behaviour

All members of staff have a critical role to play in minimising misbehaviour. School staff, children and parents all share high standards of behaviour expected of all children at all times and good behaviour is promoted in the curriculum and modelled by staff. When a child's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

- Within our school all staff use verbal praise and reinforcement of good behaviour to achieve a working friendly atmosphere where effective learning and teaching can take place.
- Communicating praise to parents and carers via the playground, email, telephone call and written communication through the contact books.

- Each teacher, at the beginning of the year, will guide their children into the making of 4 or 5 positively worded rules of acceptable conduct in their classrooms. These are displayed in a central place in the classroom.
- We use an electronic (online) reward scheme 'Class Dojo' to recognise the children's behaviour, attitude, kindness, perseverance etc.
- A 'Dojo' celebration chart is also made and displayed in the room. This has every child's name on it and a display of the 'Dojo' (behaviour point) they have earned. When a child has earned 10 Dojos they are eligible for a star. Once 15 Dojos have been achieved the child will receive a reward. The Headteacher will also be informed when the child has received 30 Dojos to enable her to celebrate their achievement through meeting with the child to praise and reward (or Mrs Burns in her absence). 50 Dojos will equate to a Reading Vending Machine token.
- We also celebrate achievements during Friday assembly, acknowledging effort and improvement in behaviour and achievement. We have a weekly reward for a member of each class who has demonstrated the school rules within the lunchtime period (chosen by the Mid-Day Supervisors).
- We have a peer citizenship award as voted for by members of each class at the end of the year in recognition of good behaviour and modelling class and school rules and values.
- Good behaviour exhibited by the whole class as a collective body will result in the teacher "putting a marble in the jar". This is displayed in the classroom. Once the marble jar is full (15 marbles) the whole class will receive a reward e.g. Golden time, popular activity
- All incidences of good behaviour are treated positively with rewards.
- We encourage and promote positive behaviour through our PSHE lessons and ethos. We 'fill our buckets' with positive comments in the classroom using a real bucket. This is shared with the class to promote kindness, positivity and value for one another.
- Position of responsibility or being entrusted with a particular decision or project.
- Whole-class rewards, such as a popular activity linked to the Marble jar.

7.4 Responding to misbehaviour

When a child's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so children know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All children will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and considered.

When giving behaviour sanctions, staff will also consider what support could be offered to a child to help them to meet behaviour standards in the future.

In addition to the sanctions below; the school may use one or more of the following sanctions in response to unacceptable behaviour:

- Sending the child out of the class
- A verbal warning and reminder of the expectations of behaviour
- Setting of written tasks such as an account of their behaviour
- Expecting work to be completed at home, or at break or lunchtime
- In school sanction at break or lunchtime
- Loss of privileges - for instance, the loss of a prized responsibility
- Referring the child to a senior member of staff
- Letter or phone call home to parents
- Agreeing a behaviour contract
- Putting a child 'on report'
- Removal of the pupil from the classroom

Suspension

Permanent exclusions, in the most serious of circumstances

Personal circumstances of the child will be considered when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

A positive approach results in acceptable behaviour in most cases. However, where behaviour remains unacceptable or a school/class rule has been broken the following sanctions will be taken.

- Verbal warning
- The child's name is put on the board which should be done with the minimum of fuss so as not to disrupt the lesson or class activity.
- If another rule is broken on the same day an X will be placed beside the name on the board and the child must sit on their own in the classroom for a specified amount of time.
- Further misbehaviour will result in a second X which means that the child misses their play (if during the afternoon session the playtime the following day) and stands/walks around with an adult on the playground. Teacher informs parents.
- A third X means that the child reports to the KS1 or KS2 Lead who then informs parents.
- A fourth X results in the child going to see the Deputy Head when she will speak to the child and the child's parents at the end of the day.
- On the rare occasion of a child having a fifth X the child is sent to the Headteacher and the parents are notified.

The above procedure applies during lunch playtimes when a sanction can be issued by a midday supervisor which could count as an X and would then be transferred to the class at the teacher's discretion. The midday supervisor would advise the class teacher at the end of lunchtime. Mid-Day Meal Supervisors keep a daily log of behaviour incidences which occur during the lunch hour; this is handed to either the Headteacher or Deputy Headteacher at the end of each lunch hour after the incident has been reported to the class teacher.

In the event that the class teacher is teaching her class outside of the classroom such as in the hall or on the playground. Then an A4 board will be brought outside so that names and crosses can be added if necessary. The names and crosses would then be transferred to the main board once the class are back in the classroom.

At the end of each day the child's name and crosses are wiped off the board so that the child is coming back to school to begin a fresh day.

Behaviour incidences are recorded on a 'Behaviour Incident' record sheet and stored in the Headteachers office. Patterns of behaviour and frequent incidences can then be identified and appropriate action taken.

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with children. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a child from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the child, including SEND, mental health needs or medical conditions.

Staff have received training in 'Team Teach'. Team Teach advocates that services should include in their policy a statement that reflects the working realities and likely consequences when individuals are involved in an incident involving force.

"Team Teach techniques seek to avoid injury to the service user, but it is possible that bruising or scratching may occur accidentally, and these are not to be seen necessarily as a failure of professional technique, but a regrettable and infrequent "side-effect" of ensuring that the service user remains safe."

7.6 Confiscation, searches, screening

Searching, screening and confiscation is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

Confiscation

Any prohibited items (listed below) found in a child's possession as a result of a search will be confiscated. These items will not be returned to the child.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to children after discussion with senior leaders and parents, if appropriate.

- Knives or weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the child)

Searching a child

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the child, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the child can carry out a search without another member of staff as a witness if:

The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**

In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the child; **or**

It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness they should immediately report this to another member of staff, and ensure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the headteacher or designated safeguarding lead (or deputy) who may have more information about the child. During this time the child will be supervised and kept away from other children.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the child is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the child has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other children. The search will only take place on the school premises or where the member of staff has lawful control or charge of the child, for example on a school trip.

Before carrying out a search the authorised member of staff will:

Assess whether there is an urgent need for a search

Assess whether not doing the search would put other children or staff at risk

Consider whether the search would pose a safeguarding risk to the child

Explain to the child why they are being searched

Explain to the child what a search entails – e.g. I will ask you to turn out your pockets and remove your scarf

Explain how and where the search will be carried out

Give the child the opportunity to ask questions

Seek the child's co-operation

If the child refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher/DSL or deputy, to try and determine why the child is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the child. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the child harming themselves or others, damaging property or from causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

An authorised member of staff may search a child's outer clothing, pockets, possessions, desks or trays.

Outer clothing includes:

Any item of clothing that is not worn immediately over a garment that is being worn wholly next to the skin or being worn as underwear (e.g. a jumper or jacket being worn over a t-shirt)

Hats, scarves, gloves, shoes, boots

Searching children's possessions

Possessions means any items that the child has or appears to have control of, including:

Desks

Trays

Bags

A child's possessions can be searched for any item if the child agrees to the search. If the child does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a child's possessions when the child and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the Designated Safeguarding Lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

Of any incidents where the member of staff had reasonable grounds to suspect a child was in possession of a prohibited item as listed in section 3

If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents

Parents will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents as soon as is reasonably practicable:

What happened

What was found, if anything

What has been confiscated, if anything

What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the child may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider if pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the

Police and Criminal Evidence Act 1984 (PACE) Code C. Detailed guidance for schools can be found in Searching, screening and confiscation at school.

7.7 Off-site misbehaviour

Sanctions may be applied where a child has misbehaved off-site when representing the school. This means misbehaviour when the child is:

- Taking part in any school-organised or school-related activity (e.g. school trips)

- Travelling to or from school

- Wearing school uniform

- In any other way identifiable as a child of our school

Sanctions may also be applied where a child has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school

- Poses a threat to another child

- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the child is under the lawful control of a staff member (e.g. on a school-organised trip).

7.8 Online misbehaviour

The school can issue behaviour sanctions to children for online misbehaviour when:

- It poses a threat or causes harm to another child

- It could have repercussions for the orderly running of the school

- It adversely affects the reputation of the school

- The child is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the child is under the lawful control of a staff member.

7.9 Suspected criminal behaviour

If a child is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the Headteacher/member of the Senior Leadership Team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.4 Zero-tolerance approach to child-on-child sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Children are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report.
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally

- Refer to early help
- Refer to children's social care
- Report to the police

When there has been a report of sexual violence or harassment, the Designated Safeguarding Lead will make an immediate risk and needs assessment which will be considered on a case-by-case basis. The risk and needs assessment will be recorded and kept under review and will consider the victim (especially their protection and support), the alleged perpetrator, and all other children and staff and any actions that are required to protect them.

Reports will initially be managed internally by St Augustine of Canterbury Catholic Primary School and where necessary will be referred to Medway Children's Services and/or the Police. Please refer to our child protection and safeguarding policy for more information.

7.6 Allegations of abuse against staff and Malicious allegations

Allegations of abuse will be taken seriously; the school will ensure that it deals with allegations quickly in a fair and consistent way that provides effective protection for the child and supports the person who is the subject of the allegation. Every effort will be made to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated.

Where a child makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the child in accordance with this policy.

Where a child makes an allegation of sexual violence or sexual harassment against another child and that allegation is shown to have been deliberately invented or malicious, the school will discipline the child in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the child who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and children accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other children.

8. Serious sanctions

8.1 In School Sanction

Members of the Senior Leadership Team have been authorised by the Headteacher to give children in school sanctions.

Children can be issued with in school sanction during break or lunch time.

The school will decide whether it is necessary to inform the child's parents.

When imposing an in-school sanction, this will be in consultation with the Deputy or Headteacher.

8.2 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the child from the classroom for a limited time.

Children who have been removed will continue to receive education under the supervision of a member of staff that is meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove children from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the child is being unreasonably disruptive
- Maintain the safety of all children
- Allow the disruptive child to continue their learning in a managed environment
- Allow the disruptive child to regain calm in a safe space

Children who have been removed from the classroom are supervised by a member of staff.

Children will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Children should be reintegrated into the classroom as soon as appropriate and safe to do so. The school will consider what support is needed to help a child successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for children who are frequently removed from class, such as:

- Meetings with learning coaches
- Use of teaching assistants
- Short term behaviour report cards
- Long term behaviour plans
- Child support units/alternative provision
- Multi-agency assessment

Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the child in the behaviour log.

9.1 Recognising the impact of SEND on behaviour

At St. Augustine of Canterbury Catholic Primary School, we recognise that children' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a child's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a child's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from children with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

Taking reasonable steps to avoid causing any substantial disadvantage to a disabled child caused by the school's policies or practices (Equality Act 2010)

Using our best endeavours to meet the needs of children with SEND (Children and Families Act 2014)

If a child has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the child concerned.

Our approach to anticipating and removing triggers of misbehaviour are outlined below:

Short, planned movement breaks for a child with SEND who finds it difficult to still for long periods.

Adjusting seating plans to allow a child with visual or hearing impairment to sit in sight of the teacher.

Adjusting uniform requirements for a child with sensory issues or who has a medical condition.

Training for staff in understanding SEND.

Use of separate spaces where children can regulate their emotions during a moment of sensory overload.

Use of Zones of Regulation

9.2 Adapting sanctions for children with SEND

When considering a behavioural sanction for a child with SEND, the school will consider:

Whether the child was unable to understand the rule or instruction?

Whether the child was unable to act differently at the time as a result of their SEND?

Whether the child is likely to behave aggressively due to their particular SEND?

If the answer to any of these questions is yes, it may be unlawful for the school to sanction the child for the behaviour.

The school will then assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a child displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a child who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a child, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9.4 Children with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority (Medway SEN Team) and other bodies.

If the school has a concern about the behaviour of a child with an EHC plan, it will contact the local authority to discuss the issue. If appropriate, the school may request an emergency review of the EHC plan.

10. Supporting children following a sanction

Following a sanction, the school will consider strategies to help children to understand how to improve their behaviour and meet the expectations of the school.

This could include measure like:

Reintegration meetings

daily contact with SENCO/Mental Health Lead

A report card with personalised behaviour goals.

11. Child transition

11.1 Inducting incoming children

The school will support incoming children to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing children for transition

To ensure a smooth transition to the next year, children have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to child behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

De-escalation

Positive Behaviour Support / Team Teach

The needs of the children at the school

How SEND and mental health needs impact behaviour

Behaviour management will also form part of continuing professional development.

Staff can also access free E - Learning from Medway ME Learning and National Online Safety.

A staff training log can be found in appendix 2.

13. Monitoring arrangements

13.1 Monitoring and evaluating school behaviour

The school will collect data on the following:

Behavioural incidents, including removal from the classroom

Attendance, permanent exclusion and suspension

Use of child support units, off-site directions and managed moves

Incidents of searching, screening and confiscation

Anonymous surveys for staff, children, governors, trustees and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be analysed by the Headteacher or Deputy Headteacher

The data will be analysed from a variety of perspectives including:

At school level

By age group

At the level of individual members of staff

By time of day/week/term

By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of children are identified by this analysis, the school will review its policies to tackle it.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher and Full Governing Body at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the Full Governing Body.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the Full Governing Body.

14. Links with other policies

This behaviour policy is linked to the following policies:

Suspension and Permanent Exclusions policy

Anti-Bullying policy

Child Protection and Safeguarding policy

SEND Policy and Code of Practice

Online Safety policy

Mobile phone policy

Appendix 1:

Written Statement of Behaviour Principles:

- Every child understands they have the right to feel safe, valued and respected, and learn free from the disruption of others.
- All children, staff and visitors are free from any form of discrimination.
- Staff and volunteers set an excellent example to children at all times.
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy.

First behaviour letter

Dear parent,

Recently, your child _____ has not been behaving as well in school as they could.

It is important that your child understands the need to follow our behaviour curriculum, which is set out in the behaviour policy. I would appreciate it if you could discuss their behaviour with them.

If your child's behaviour does not improve, I will contact you again and suggest that we meet to discuss how we can work together. However, at this stage I am confident that a reminder of how to behave appropriately will be sufficient.
